[\(+20\)100-930-5067](tel:+201009305067)
Cairo, Egypt

Objective

My main goal is to develop applications/solutions that make users' life easier and turn customers' pain into gains, utilizing my technical and analytical skills for the growth of the organization as well as enhancing my knowledge of the latest trends in the IT sector

Experience

- **[Etisalat Egypt](#) (Dec.2019, Present).**

One of Etisalat Egypt Digital Transformation leads; my responsibilities:

- **Senior Angular Developer (Dec.2019, Present).**

Develop and enhance Etisalat Apps and web channels e.g.:
Etisalat Main Portal, Etisalat eShop, Etisalat Sports, Etisalat Games, Etisalat Music, Etisalat Loyalty B2B Admin System, Etisalat Foundation, Etisalat TV (portal and smart TVs LG, Samsung), Etisalat Business, Payments, Etisalat News, Etisalat Islamic, Etisalat Vendor Mangment System(EVM), and more.

- **Front-End team lead (Sept.2020, Present).**

(Develop, enhance, and revamp the front-end stack to the latest techs – build and lead the front-end team)

- **Digital Analytics & Insights team lead (Jan.2021, May.2021).**

- **6 Months**

(Leading Digital Insights function – build and lead the digital analytics team)

- **Tech. Business Dev. Specialist and Full-Stack Dev. at MyJinni. (June2019, Dec.2019) 7 Months.**

Worked with the company within its foundation, participated in all the stages of their primary product, from the design to the deployment, worked on 3 web portals (2 admin portals and 1 customer portal) using Angular2+, and created the backend (NodeJS), participated as well in the deployment (AWS, Nginx).

- **Freelance Full-Stack Dev. (Aug.2017, Dec.2019) 2 Years, 5 Months**

(Develop many projects like Ecommerce, E-learning, Retail business, etc. web and mobile Apps)

Education

- **9-Month-Diploma**
